Lieutenant General Leo J. Dulacki, USMC (Ret.)

STAT

Dear General Dulacki:

Recently Danny Graham informed me that you had requested a copy of the speech I gave to the VFW Convention in Los Angeles. He also mentioned that you had recently given a talk in defense of the Agency to an influential group in Southern California after which they passed a resolution in support of the Agency for forwarding to their Senators and Congressmen. This support is most welcome and all of us at the Agency are very grateful to you.

I am enclosing a copy of various talks I have given around the country. With the exception of the one I gave to the Washington Professional Chapter of the Society of Professional Journalists in May, these are transcripts from tapes of my talks as I generally do not use a prepared text. I hope they will be of some assistance to you.

With every good wish and, again, our thanks
for speaking out on our behalf,

Faithfully,

Vernon A. Walters
Lieutenant General, USA
